

Benefits of Kuk Sool:

Self-Discipline - Teaches you to set goals, stick to them, learning to draw upon your own inner drive to succeed.

Self-Confidence - Helps you reach new and progressively higher goals in the study of Martial Arts.

Self-Defense - Teaches you to think rather than panic in potentially dangerous situations. You will be able to effectively protect both yourself and your family.

Coordination - Develops your balance, agility, dexterity, and improves your overall fitness.

Fun - Offers something for everyone: Kuk Sool lessons are challenging, fun and dynamic.

At **Kuk Sool Won™**, we teach traditional Martial Arts values, with an upbeat, enthusiastic, modern approach. Kuk Sool combines kicking, punching, throwing, falling, joint locking, pressure point, and weapons techniques into a beautiful and dynamic hard/soft style which focuses on Discipline and Respect.

Kuk Sool Won™ is a comprehensive Martial Arts system that is derived from the rich and varied martial arts techniques and traditions that have arisen in Korea through the ages. The basis of Kuk Sool is the development of “Ki” (internal power). For self-defense, Kuk Sool is unsurpassed. It combines kicking, punching, self-defense takedowns, joint locking and a myriad of weapons techniques into a beautiful and dynamic “hard-soft” style, which focuses on Discipline and Respect

Our Summer Camp is a fun filled, highly energetic program. Each day we work on the basic kicks, punches and falling principles, then focus on one aspect of Kuk Sool to better master its application. Monday we focus on forms and punches. Tuesday the focus is on Techniques and Kicks. Wednesday is our field trip day. For field trips we select Beaches, Water Parks, and Museums to explore weekly. Thursday our focus is on Sparring and Grappling. Friday is our (in house) Fun Day where we play games and have contest designed around the skills we have practiced all week.
